## Work and Freelance Experience

### Graphic Designer

Pamoja Ministries | Arusha, Tanzania | June 2010–November 2011

- Identity development for the ministry's secular Kahawa Media division
- CD & DVD media packaging for African and North American markets
- Art direction, illustration and advertisements for recruitment and fundraising materials
- Branding and Promotions for two-month concert tour across US and Canada

### Associate Campus Minister & Art Director

Mizzou BSU Ministries | Columbia, MO | June 2008–May 2011

- Lead designer of the Communications team, working to establish and maintain the BSU identity, designing promotional print materials such as posters and brochures, and creating an easy-to-update, functional website
- Develop fundraising strategies and materials, including Annual Reports
- Design and produce alumni relations materials including newsletters and emails
- Direct technical elements of the ministry's weekly worship experience

### Freelance Graphic Designer

Various Clients | 2007–Present

- Design logo identities, web, print and collateral materials for local, regional and international clients

### Student Graphic Designer

Imprint Design Practicum | Univ. of Missouri-Columbia | August 2007–May 2008

- Honors course that operated as a high-volume creative and professional design studio developing logos, brochures and websites for local and national clients, while also focusing on client/designer relationships, contracts and teamwork

### Writing Tutor

The Learning Center Writing Lab | Columbia, MO | January 2006–December 2007

- Assist undergraduate student writers in both a face-to-face session and an online cybertutorial setting

### Study Abroad

Univ. of Missouri-Columbia Art Department | Florence & Environs | June 2007

- Lived with a group of 15 students and an art professor in Florence, Italy where we produced art and immersed ourselves in the history and culture of the country

## Education
